Sir:

I, Pascale Georjon, do hereby declare as follows:

I am a legal assistant for Alcan France S.A.S, Propriete Industrielle in Lyon, France. Until August 2009, I had administrative responsibility for the above-identified patent application.

A Declaration under 37 CFR 1.132 for the signature of inventors Bertrand Gruau and Herve Zakrzewski was forwarded to me by e-mail by US Patent Attorney Ira Schultz on June 9, 2009. A copy of the declaration was forwarded to Bertrand Gruau, who signed the declaration and returned it to me.

The declaration was then sent by mail to Herve Zakrzewski at his last known address on July 16, 2009, together with the attached letter (in French, with accompanying verified translation into English).

The correspondence with Mr. Zakrzewski was returned as

undeliverable; a copy of the envelope is enclosed.

Upon information and belief, I state that Mr. Zakrzewski is no longer employed by CEBAL S.A.S, and no longer resides in France.

I further state that all statements made herein of my own knowledge are true, all statements made herein on information and belief are believed to be true, and further, that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and may jeopardize the validity of this application or any patent issuing thereon.

P. Georjon
